# 미드저니 프롬프트(Midjourney Prompts) 사용 팁 6 가지

1. 왕, 여왕, 기사, 마법사, 용(king, queen, knight, wizard, dragon)과 같이 간단하고 일반적인 단어를 사용하세요.
2. 문구는 구체적이어야 합니다. "노을이 지는 꽃밭을 가로지르는 무지개색 나비(A rainbow-colored butterfly flies across a field of flowers at sunset)"라는 문구를 예로 들어보세요.
3. 원하는 이미지를 가장 잘 설명할 수 있는 형용사를 조합해야 합니다. "아름답다, 다채롭다, 섬세하다, 복잡하다, 거대하다, 강력하다(Beautiful, colourful, detailed, intricate, massive, powerful)"와 같은 단어가 그 예입니다.
4. 아트 스타일을 원한다면 아티스트의 이름을 추가하세요. 빈센트 반 고흐, 피카소, 살바도르 달리, M.C. 에셔(by Vincent Van Gogh, by Picasso, by Salvador Dali, by M.C. Escher) 와 같은 이름입니다.
5. 원하는 스타일을 설명합니다. "추상, 현대, 입체파, 사이버펑크, 판타지, 인상주의, 미니멀, 모던, 사실주의, 초현실주의(Abstract, Contemporary, Cubism, Cyberpunk, Fantasy, Impressionism, Minimal, Modern, Realism, Surrealism)"와 같은 단어가 도움이 될 것입니다.
6. 보다 정확한 결과를 얻으려면 옥테인 렌더링, 언리얼 엔진, 레이 트레이싱(Octane render, Unreal Engine, Ray tracing)과 같은 컴퓨터 그래픽 유형을 구체적으로 명시하세요.

# A surreal illustration 초현실주의

## mysterious realm of the subconscious

[프롬프트 prompt]

A surreal illustration inspired by the subconscious, featuring an iceberg as a visual metaphor for the hidden depths of the mind. The poster design pays homage to Wassily Kandinsky's abstract art style, with bold shapes and vivid colors creating a striking composition. The iceberg's tip is visible above the water, while the majority of its massive structure remains unseen, symbolizing the vast and mysterious realm of the subconscious. The photo was taken by Gregory Crewdson with a Pentax 645Z and a 55mm lens, Award Winning Photography style, Studio Lighting, and Dramatic Contrast, 4K, HD, High-Resolution. --v 5 --q 2

# Pop art 팝아트

[프롬프트 prompt]

Pop art, musicians, background is transparent, a mural of a jazz ensemble playing on stage. The musicians are depicted in bright colors with exaggerated facial features, creating a sense of whimsy and playfulness. The background is filled with abstract shapes and patterns in bold colors, conveying a sense of energy and rhythm. The mural is large enough to cover an entire wall and is designed to be viewed from a distance, with the details becoming more apparent upon closer inspection. The overall atmosphere is lively and upbeat, capturing the essence of the jazz genre. --v 5

## [프롬프트 prompt]

Excited to bring your imagination to life! Imagine a cinematic world filled with hyper-detailed and insanely beautiful pop art-inspired graphics. Using Unreal Engine, we'll bring this world to life with depth-of-field effects, super-resolution, and megapixel rendering. The cinematic lighting, anti-aliasing, and advanced effects like FKAA, TXAA, and RTX, along with SSAO, will create a hyper-realistic and volumetric environment. We'll also add post-processing, post-production, tone mapping, C GI, VFX, and SFX to make this world come alive with insane details and intricate designs. The final output will be in stunning 8K resolution with full-color and volumetric lightning, HDR, and sharp focus. Get ready to experience the ultimate in photorealism and hyper-maximalist design with our 16K rendering. Get ready for the ride of your life! --v 5
